

Important Announcement - Waiving off Condonation Fee for Students

COVID -19

Due to ongoing period of lock down amid Covid-19, it has been observed that students are facing problems in online filing of various application forms related to practical training within prescribed time and such delay is causing levy of condonation fee upon them.

Considering hardship faced by the students, it has been decided to waive off condonation fee on delay filing of all articulated/industrial training related application forms till 30th June 2020 if transaction date in such application forms falls between 1st March 2020 to 30th May 2020. This period includes one-month prescribed time limit given in general.
